for any project in Kerala is under examination in Central Electricity Authority (CEA) for accord of Technoeconomic clearance by CEA.

(c) and (d) The Government of Kerala have requested the Ministry of Power/National Thermal Power Corporation (NTPC) to take up the expansion of the Kayamkulam Combined Cycle Power Project (CCPP).

NTPC is pursuing Kayamkulam expansion project of 1950 MW (tentative) capacity as a regional station and have taken a number of steps towards this end. The implementation of the project, as a regional station, would however, be contingent on a number of factors including availability of LNG in an appropriate time frame, price and terms and signing of the Power Purchase Agreement with the State Electricity Boards of the beneficiary States (for utilizing its full capacity) with sufficient payment safeguards etc.

Pending power projects

1247. SHRI S. AGNIRAJ: Will the Minister of POWER be pleased to state:

(a) the details of pending power projects in the country till date, State-wise;

(b) the number of proposals along with details for which the Central Government has decided to give feasibility clearance in all respects of the projects, State-wise;

(c) whether any internal or external assistance is likely to be given to these projects under the Five Year Plan period, State-wise; and

(d) the estimated power to be generated by these projects in each State?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a), (b) and (d) As on 28.2.2001, 20 power projects (10 in private sector and 10 in State/Central Sector) are under examination in Central Electricity Authority (CEA) for accord of Techno-economic clearance (TEC) as per details given in Statement-I (*See* below). These pending projects would be considered by CEA for accord of TEC as soon as the required essential inputs/ clearances are tied up by the concerned project Developers.

(c) Some projects are assisted by multilateral/bilateral agencies like the World Bank, Asian Development Bank, JBIC etc. The Government forwards a list of viable projects to these agencies every year. A list of power projects which have received assistance since 1.1.1997 is at Statement-II (*See* below).

A list of projects short-listed but not yet sanctioned by donors since 1.1.1997 is at Statement-III.

Khammam-Hyderabad 400 KW line

1248. SHRI SOLIPETA RAMACHANDRA REDDY:
SHRIMATI VANGA GEETHA:

Will the Minister of POWER be pleased to state:

(a) whether Andhra Prtadesh Government have sought Union Governments' intervention with Overseas Economic Cooperation Fund (OECF) for awarding works on Khammam-Hyderabad 400 KW line on limited International Competitive Bidding (ICB) basis;

(b) the details thereof and by when the work is expected to start and complete; and

(e) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) to (c) In order to avoid delay, OECF (presently JBIC) gave clearance to take up the works on Khammam-Hyderabad 400 KV line (under loan No. ID-P127) under International Competitive Bidding (Global). Accordingly, Open tenders were called under ICB (Not on limited ICB) and contracts were awarded.

The Line is divided into two packages and work is awarded to two contractors after obtaining JBIC's concurrence. The work commenced in August 2000 and is expected to be completed by September, 2001.
